SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Dear Sir:

Applicant submits herewith the references on the attached Form PTO-1449. A copy of the PCT Publication No. WO 00/62657 is enclosed; however, copies of the six cited U.S. patent applications are not enclosed. While the six cited U.S. patent applications have not yet published, they are available to the Examiner via the PTO's internal database. Copies of the cited U.S. patent applications can be provided to the Examiner upon his/her request.

This Information Disclosure Statement is being filed under 37 C.F.R. § 1.97 (b) (3), before the mailing of a first Office Action on the merits, therefore no fee is due.

The filing of this Information Disclosure Statement shall not be construed to be an admission that the information cited in the statement is, or is considered to be material to patentability. Applicant reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application. If it should be determined that any of the listed documents constitute prior art under United States law, Applicant reserves the right to present to the Office relevant facts and law regarding the significance of such documents to the patentability of the claimed invention.
